# ANNOUNCEMENT

## Topics

1. fracture mechanics,
2. damage mechanics,
3. fatigue of materials and structures,
4. plasticity and creep,
5. inverse problems - identification of the damage,
6. mechanics of composites,
7. mechanics of advanced materials (SMART, gradient, nanomaterials),
8. contact mechanics, problem of surface layer,
9. termomechanics,
10. biomechanics and biomaterials,
11. structural dynamics,
12. strength and safety of structures,

## Location

The symposium will be held on the holiday center *Oficerski Yacht Club RP "Pacific"* which is located by the White Lake in Augustow. The small peninsula underlines perfect scenery values of this place. The center, rimmed by old pine forest, near the Augustow Forest, is an oasis of silence and calm. We hope this scenery will favour the work and rest during the conference.

During the symposium we would like to propose a bonfire, peasants revel, a passenger ship trip along the Augustow Canal and surrounding lakes, and banquet.

## Papers

The paper should be prepared in two forms. The first - one page abstract - will be included to conference proceedings. The second - with no page limit - will be published in .pdf format on CD. Detailed information about papers preparing can be find on our web site. After

revision selected articles will be published in *Acta Mechanica et Automatica*.

The papers will be presented in oral and during poster sessions. Authors should propose a form of presentation: oral or poster session. Simultaneously, for plenary session, please declare the subject area - according to the numbers above. The Scientific Committee will make the final classification of the papers. One author (co-author) can present maximum two papers. Official languages are Polish and English.

Declaration and paper in the electronic version can be send by traditional mail or using the web site: [www.mechanika.materialow.pb.edu.pl](http://www.mechanika.materialow.pb.edu.pl).

## Timelines

- sending the applications: **January 31, 2015**
- paper submission: **March 31, 2015**
- papers acceptance: **April 15, 2015**
- date of payment: **May 10, 2015**
- conference programme: **May 20, 2015**

## The conference fee

The estimated cost of participation in the conference is 1450 PLN (350 EUR). For members of Polish Society of Theoretical and Applied Mechanics - 1400 PLN (330 EUR). The fee for participants includes: accommodation, meals, banquet and conference materials.

Bank account:

Bank: **Bank Spółdzielczy w Białymstoku**

Account no: **PL21 8060 0004 0003 2405 2000 0010**

Swift Code: **MBREPLPW**

Title of payment: **Mechanika Materialow**
