

Recent Advances in Numerical Simulation of Hydraulic Fracture

RZESZÓW, POLAND, 2014

Registration form

First name(s):	<input type="text"/>	Surname:	<input type="text"/>
Sex:	<input type="radio"/> Female <input type="radio"/> Male		
Affiliation:	<input type="text"/>		
Title:	<input type="radio"/> Prof. <input type="radio"/> Dr <input type="radio"/> Msc.	Student (including PhD):	<input type="radio"/> Yes <input type="radio"/> No
Position:	<input type="text"/>	Email:	<input type="text"/>
Work Address:			
Street:	<input type="text"/>		
City:	<input type="text"/>	Country:	<input type="text"/>
Phone:	<input type="text"/>	Postal code:	<input type="text"/>

Presentation and paper submission:

- I will submit a paper to peer reviewed postconference monograph,
- I will submit a paper to the journal,
- I will not submit a paper, but will present,
- I will attend the event without presentation.

For the first three cases, an abstract will be required. Papers for the post-conference monograph should be submitted by the end of April 2014. Papers for the journal may be submitted at the conference desk; exact deadlines and further details will follow.

Presentation
title:

Accompanying person: Yes No

Do you need support with visa application? Yes No
